Production Cost Reports and Extra Analyses

Content & Data

Data, information, analyses and/or models presented in the Reports and Extra Analyses are prepared on the basis of publicly available information and non-confidential information disclosed by third parties. Third parties, including, but not limited to technology licensors, trade associations or marketplace participants, may have provided some of the information on which the analyses or data are based.

The analyses presented in the Reports and Extra Analyses are developed independently by Intratec and, as such, are the opinion of Intratec and do not represent the point of view of any third parties nor imply in any way that they have been approved or otherwise authorized by third parties.

Intratec conducts analyses and prepares Reports and Extra Analyses for Subscribers and Authorized Users in conformance with generally accepted professional standards. Changes in factors upon which information, data and/or analyses presented in the Reports and Extra Analyses are based could affect the respective information, data and/or analyses.

Although the statements in the Reports and Extra Analyses are derived from or based on several sources that Intratec believe to be reliable, Intratec does not guarantee their accuracy, reliability, or quality; any such information, or resulting analyses, may be incomplete, inaccurate or condensed. All estimates included in the Reports and Extra Analyses are subject to change without notice. The Reports and Extra Analyses are for informational purposes only and are not intended to or should not be construed as advice or recommendations of any nature whatsoever.

Use & Sharing

Customer, Subscriber or Authorized User agrees it will not, without prior written consent of Intratec, represent, directly or indirectly, that Intratec Reports and/or Extra Analyses have been approved or endorsed by the other parties. In no event shall Intratec, its employees, representatives, resellers or distributors be liable to Subscriber, Authorized User or any other person or entity for any direct, indirect, special, exemplary, punitive, or consequential damages, including lost profits, based on breach of warranty, contract, negligence, strict liability or otherwise, arising from the use of the Reports and/or Extra Analyses, whether or not they or it had any knowledge, actual or constructive, that such damages might be incurred.

Customer, Subscriber or Authorized User may, in the course of its business, create Derived Content for internal use, provided that: (i) the information and/or data from the Licensed Materials used in the Derived Content will be insubstantial and de minimis in nature and will not be primarily a copy of the Licensed Materials (ii) Customer, Subscriber or Authorized User undertakes not to create Derived Content that uses a portion of the Licensed Materials that could be considered substantial; (iii) Customer, Subscriber or Authorized User acknowledges Intratec as a source in relation to such Derived Content, as follows:

'This information has been extracted from an Intratec Production Cost Reports. Intratec has not seen or reviewed any conclusions; recommendations or other views that may appear in this document. Intratec makes no warranties, express or implied, as to the accuracy, adequacy, timeliness, or completeness of its data or its fitness for any particular purpose. Intratec disclaims any and all liability relating to or arising out of use of its data and other content to the fullest extent permissible by law.' and (iv) Customer, Subscriber or Authorized User does not use or authorize the use of such Derived Content created in products that are competitive with Licensed Materials.

The use of Production Cost Reports and/or Extra Analyses information and/or data for any purposes not expressly permitted by these terms and conditions is subject to Intratec's prior written consent. Authorized User is not entitled

to share Production Cost Reports and/or Extra Analyses information and/or data with third parties or affiliates, unless Authorized User obtains Intratec's prior written approval.

Passwords are for the personal use of the Authorized User to whom they are issued and may not be made available to others for the purpose of using Production Cost Reports and/or Extra Analyses. If Intratec suspects that a password is being used by an unauthorized person it may cancel the password

The Authorized User further agrees to refrain from any general release of the information presented in Production Cost Reports and/or Extra Analyses, so as to constitute passage of title into the public domain or otherwise jeopardize common law or statutory copyright.

Order, Payment & Delivery

Production Cost Reports may be ordered individually, from Intratec Report Store at Intratec Website, or through Production Cost Reports Subscription Plans.

Production Cost Reports may be purchased via credit cards. Customers using credit cards warrant that they have the authority to use the credit card and that the billing information provided is accurate, and authorize Intratec to charge the designated credit card for the total amount of the purchase, including any sales or similar taxes.

For high amount purchases, payments can be made via local bank transfers or wire transfers. For payments made via local bank transfers and wire transfers, payment confirmation may take some days, depending on banks transaction procedures.

Intratec Reports may be delivered as downloadable protected non-printable PDF digital files. The delivery format is set out in the respective Order Form. Reports are made available for download in a private area at Intratec website. It is the Customer's, Subscriber's and/or Authorized User's responsibility to ensure that it has the equipment necessary to access and/or download Production Cost Reports.
