

User Guides

Intratec developed user guides that serve as comprehensive, easy-to-understand references to help our customers learn the features of our products and how to use them effectively.

Check below Intratec User Guides:

- * [Intratec Primary Commodity Prices User Guide](#)
- * [Intratec Energy Price References User Guide](#)
- * [Intratec Water & Utility Costs User Guide](#)
- * [Intratec Plant Construction Indexes User Guide](#)
- * [Intratec Plant Location Factors User Guide](#)

Please keep in mind that we are always seeking to improve our offerings, in such a way that our user guides are constantly being reviewed.

Finally, Intratec also provides [methodologies](#) for all its products.
